Accreditation. The University of California, Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation. The University of California, Irvine School of Medicine designates this live activity for a maximum of 2.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement. Full disclosure of all relevant financial relationships will be provided to participants in advance of the program.

Highlights

• Provide a perspective on why this is such an exciting and daunting time for oncology.

• Highlight the clinical and basic science advances that enable us to embark upon the "Moonshot" and imagine 'individualized/precision/tailored' medicine.

• Provide examples of entirely new therapeutic strategies, their development and clinical application.

• Highlight some of the contributions that the faculty of UCI have made and are making, "Cancer Therapies in your backyard".

• Increase your appreciation of the shifts in oncologic care and the role of primary care health care providers in optimal management of patients with cancer.
