Course Description

The UC Irvine Health Comprehensive Stroke and Neurocritical Care Symposium offers an update on the latest advances in stroke care and research. Improving stroke patient outcomes requires a multifaceted approach that includes pre-hospital, telestroke, acute, ICU management and rehabilitation care, as well as reintegration into the community. This conference is designed to improve the knowledge and performance of healthcare providers for patients with stroke and cerebrovascular disease.

Target Audience

The conference is targeted for neurologists, primary care physicians, cardiologists, vascular surgeons, neurosurgeons, psychologists, registered nurses, physician assistants, nurse practitioners, pharmacists, physical therapists, occupational therapists, speech therapists, social workers, case managers, EMS personnel and other healthcare providers directly involved with delivery of care to persons with stroke and cerebrovascular disease.

Learning Objectives

After completing the learning activity, the participant should be able to:

• Discuss the role of telestroke in acute stroke and recovery
• Discuss the role of multidisciplinary care in stroke
• Discuss the different risk factors of stroke based on gender
• Examine the updates on the latest advances in surgical and endovascular intervention and ICU management of the hemorrhagic and ischemic stroke patient
• Review complicated cases by multidisciplinary physician experts in advanced stroke care and rehabilitation

The Westin Guest Room Information:

Comprehensive Stroke and Neurocritical Care Symposium:
Telestroke & Brain Reperfusion

Comprehensive Stroke and Neurocritical Care Symposium:
Telestroke and Brain Reperfusion
Saturday, Oct. 14, 2017
The Westin South Coast Plaza  |  686 Anton Blvd., Costa Mesa, CA 92626
Register online: www.neurology.uci.edu/stroke-cme
Approved for AMA PRA Category 1 Credits™
Course Directors

Wenbo Yu, MD, PhD
Director, Comprehensive Stroke & Cerebrovascular Center
Assistant Professor of Clinical Neurology
Department of Neurology, UC Irvine Health

Cynthia K. Dashti, MD, PhD
Director, Neurovascular Imaging & Intervention
Assistant Professor of Clinical Neurology
Department of Neurology, UC Irvine Health

Sara Hamed, MD, PhD
Director, Comprehensive Stroke & Cerebrovascular Center
Assistant Professor of Clinical Neurology
Department of Neurology, UC Irvine Health

Registration Information

Registration Fees
Options 1 & 2: Online registration
Visit www.neurology.uci.edu/stroke-cme to register and pay online with a credit card.
Onsite registration will close on Oct. 12, 2017.
Options 3: Mail-In Registration
Checks must be made payable to UC Irvine.
Mail the form below and mail it, with your check to: UC Irvine Health – Attention: Dana Stradling, Neurology 200 S. Manchester Ave., Suite 206, Orange, CA 92868

Registration Options

Option 1: Online registration
Visit www.neurology.uci.edu/stroke-cme to register and pay online with a credit card.
Onsite registration will close on Oct. 12, 2017.

Option 2: Register by mail/check
Checks must be made payable to UC Irvine.
Mail the form below and mail it, with your check to: UC Irvine Health – Attention: Dana Stradling, Neurology 200 S. Manchester Ave., Suite 206, Orange, CA 92868

For more information, contact Johanna Williams at 714-456-7637.
