

A CME Workshop for Physicians and Licensed Health Care Professionals on:

Diabetes Update 2017

Guest Speakers

Himmet Dajee, M.D., CalOptima

Dr. Himmet Dajee received his medical degree from the Royal College of Surgeons in Dublin, Ireland. He pursued his cardiovascular and thoracic surgery training at the University of California, Davis and at the University of California, Los Angeles (UCLA). Dr. Dajee practiced his profession for 25 years in Los Angeles and Orange County and retired in 2006. Since his retirement, Dr. Dajee has been involved in managed health care. Currently, he is the Medical Director at CalOptima.

PAUL D. ROSENBLIT MD, PhD, FACE, FNLA

Dr. Paul Rosenblit received his medical degree and doctorate of philosophy from the Universidad Automoma de Ciudad Juarez and completed his fellowship at the UCLA Medical Center. Currently, Dr. Rosenblit is the director and principal investigator of the Diabetes/Lipid Management and Research Center in Huntington Beach. He also serves as a clinical professor of medicine in the division of endocrinology, diabetes, and metabolism at the University of California, Irvine (UCI) School of Medicine. Dr. Rosenblit also is the co-director of the Diabetes Outpatient Clinic at the UCI Medical Center.

At the end of the program, attendees should be able to:

- Demonstrate awareness of the CalOptima HEDIS[®] performance measures related to comprehensive diabetes care.
- Describe the epidemiology and complications associated with diabetes.
- Discuss evidence-based approaches to prevention/treatment of microvascular and macrovascular disease, including FDA-approved classes of medications for glycemia, lipids, HTN.
- Recognize the spectrum of risks addressed with uncontrolled diabetes.

2 CME Credits Offered
