

SAVE THE DATE

11th Annual Orange County Symposium on Cardiovascular Disease Prevention:

The Need to Know

Saturday, Nov. 9, 2019

UCI School of Medicine

This symposium is designed to fill knowledge gaps in the fast-evolving field of preventive cardiology. Primary care providers, cardiologists, endocrinologists, lifestyle interventionists and other specialists will be updated on:

- New Perspectives on Women and Heart Disease
- 2018 Updated Cholesterol Management Guidelines
- Integrative Cardiology
- How Low Should We Go on Blood Pressure?
- Triglycerides: An Underrated Enemy
- Does HDL-C Matter Anymore?
- What is the Best Diet for Preventing Cardiovascular Disease?
- Are All Omega-3 Fatty Acids the Same?
- Cardiovascular Genetics and Personalized Medicine
- Lipoprotein(a): A New Target for Reducing Cardiovascular Risk?
- Cardiometabolism?

Registration and Course Fee

- \$85 - Non UCI Physicians and Other Health Care Providers
- \$75 - UCI Physicians / Faculty
- \$55 - UCI Nurses / Staff
- \$35 - Residents / Students / Trainees

After October 15, 2019 all prices will increase by \$15.

Day of Registration \$100
