- Spa Desert Springs (Conde Nast – Hot List) is an expansive 38,000 square-foot facility with 48 treatment rooms, a salon, yoga studio, spa bistro, VIP suite, couples’ suite, fitness facilities, and heated outdoor lap pool. The Spa’s extensive treatment menus give special consideration to the healing ingredients and customs of the surrounding Sonoran Desert, utilizing locally harvested crops (such as citrus and dates) along with ancient healing traditions. The luxurious facility fully embraces the “spa together” concept; groups can enjoy the “spa within a spa”: a private wing with its own lounge, treatment rooms, and shower areas.

Discover Palm Springs

The Palm Springs area is a spring break getaway to the western U.S., with palm trees, urban oasis, walking, tennis, optional round-trip transportation from anywhere in the world.
