Don’t miss the 7th Annual Summit in Aesthetic Medicine. This two-day CME/CE conference features a balance between the science and business of aesthetic medicine with a focus on problem solving.

The program consists of outstanding faculty known not only for their skills in aesthetic medicine but also for their ability to discuss various topics in an energetic and compelling way. All talks will be substantial in current content, yet brief and pithy, allowing the majority of the time to be devoted to discussion. This is a conference for all who wish to learn and contribute as well as take away key pearls that are immediately useful in your practice.

Join us May 5-6, 2017, at the Island Hotel in Newport Beach, CA, at the 7th Annual Summit in Aesthetic Medicine to share knowledge and techniques. Be a dynamic participant in an interactive conference focusing on advances in aesthetic medicine and optimum patient care.

WHO SHOULD ATTEND
• Dermatologists
• Plastic Surgeons
• Facial Plastic Surgeons
• Physician Assistants
• Nurse Practitioners
• Nurses
• Residents and Fellows

LEARNING OBJECTIVES
After completing this live activity, participants should be better able to:
• Compare and contrast the efficacy and safety of agents, devices, and techniques currently available in aesthetic and procedural dermatology.
• Summarize new and emerging technologies for laser surgery as well as proper procedure when performing laser surgery.
• Examine energy-based technology for body contouring and discuss appropriate patient selection criteria for utilizing these devices.
• Identify essential factors in selecting appropriate filler agents for treating different areas of the face and targeted plantar depths.
• Determine the appropriate nonsurgical techniques for facial rejuvenation based on an enhanced understanding of facial anatomy and for the most effective patient outcome.
• Formulate approaches to the challenges of hair loss.
• Demonstrate knowledge of anatomy and in respect to changes in skin, muscle, fat and bone that occur with age.

ACCREDITATION STATEMENT
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of California, Irvine School of Medicine and Global Academy for Medical Education. The University of California, Irvine School of Medicine is accredited by the ACME to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT
The University of California, Irvine School of Medicine designates this live activity for a maximum of 14 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURE
As a provider accredited by the ACCME, it is the policy of the University of California, Irvine School of Medicine to require the disclosure of anyone who is in a position to control the content of an educational activity. All relevant financial relationships with any commercial interests and/or manufacturers must be disclosed to the majority of the audience.

NURSING CONTINUING EDUCATION
This educational activity for 14.0 contact hours is provided by Postgraduate Institute for Medicine. Pharmacotherapy contact hours for Advance Practice Registered Nurses to be determined, and will be designated on your certificate.

ACCREDITATION STATEMENTS
Postgraduate Institute for Medicine is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

The 7th Annual Summit in Aesthetic Medicine will provide attendees with a satisfying overview of current and leading edge technologies, at the same time challenge the expert faculty to provide innovative solutions to some of our most vexing problems in clinical practice.
