MAJOR ASSIGNMENTS AND EXAMS

GRADING

Medical Students are graded using the following scale: Honors (H), Pass (P), Fail (F), and Incomplete (I). For further information, please review the Grading Policy.

You have 30 days from the date of the grade to appeal any aspect of this grade. Please contact your Clerkship/course Director should you have any questions

Grading and evaluation will be done at the end of each block. The evaluation by the senior resident and the attending will account for 95% of your final grade. The presentation during Sub I meetings will account for the remaining 5% of your final grade. The student will receive a grade of Honors, Pass or Fail. The student's final grade will be submitted on the standard UCI form. The student will be evaluated by attendings and residents in the area of clinical performance, clinical skills, formal presentation, learning accomplishments, attendance, attitude and effort. If the student fails the elective a grade of "F" will be permanently recorded on his/her transcript. The student can repeat the course for a second grade, however, the "F" will not be removed from the transcript.

Requirements for "Pass": To receive a grade of Pass, students must demonstrate successful performance in all the following areas:
