633O Pulmonary Medicine Consultations
This course is available to UC Irvine 4th year students only

Course Description: During the Pulmonary Consultation elective, students will usually be the first member of the consultative team to work up requested pulmonary consultations; they will usually be the person who presents the case to the attending staff. Students will learn to interpret pulmonary function tests with the staff. They may observe and participate in a number of procedures, such as fiberoptic bronchoscopy. They will attend one outpatient clinic per week. They will participate in several didactic sessions including, weekly interesting case conference and journal club.

They will attend one outpatient clinic per week. They will participate in several didactic sessions including, weekly interesting case conference and journal club.

**What Students Should do to Prepare for the Rotation:**

Check with Faye Johnson 562-826-8000 x 3294 Faye.Johnson2@va.gov to ensure you are cleared to rotate at the VA

Current VA ID Badge. If this is your first time coming to the VA, you probably don’t have the new VA ID badge. In order to get your new badge, you will need to contact the VA HR office, Mr. Ivan Aguilar at ivan.aguilar@va.gov to set up an appointment for your VA ID photo. The email to Ivan should be sent approximately 4 weeks prior to the start of your rotation. *If you have previously rotated at the VA, have them check your badge to assure they are not expired. If your badge is expired, you will need to follow the instructions above to get your renewal completed.

Make sure your TMS training is up to date. It is highly recommended that you bring your certificates of completion training if possible. If you are unsure if your training is current, you can check your TMS account at [https://www.tms.va.gov/learning/user/login.jsp](https://www.tms.va.gov/learning/user/login.jsp)

**Clinical Responsibilities of the Student:** Not Stated

**Patient Care Responsibilities:** Not Stated
