Percentage of Time Student will Participate in Ambulatory Setting: Not Stated
Conference/Lecture/Small Group Sessions: Not Stated
Course Hours Weekly Summary: Not Stated
Content Theme Integration: Not Stated

Recommended Reading:
• Infant nutrition in growth and development;
• Nutritional support of the critically ill child;
• Gastrointestinal bleeding;
• Chronic diarrhea;
• Inflammatory bowel disease;
• Neonatal Cholestasis;
• Hepatitis and hepatic failure;
• Gastroesophageal reflux,
• Cystic fibrosis management

Official Grading Policy: The student will receive a grade of Honors, Pass or Fail. The student’s final grade will be submitted on the standard UC Irvine elective form. The student will be evaluated by attendings and residents in the areas of performance, presentations, organization, professional attitude and knowledge base. If the student fails the elective a grade of “F” will be permanently recorded on his/her transcript. The student can repeat the course for a second grade, however, the “F” will not be removed from the transcript.
