	Mon	Tues	Wed	Thurs	Fri
am	Peds-urgent care	Peds-general	Peds - general	Peds - general	Peds - general
pm	Peds - urgent care	Peds - urgent care	Peds - urgent care	Peds - urgent care	Peds- urgent care

* one half-day per week will be allotted for student to work on health promotion project and/or attend a patient education class at UC Irvine Medical Center

What Students Should do to Prepare for the Rotation:

- Review immunization schedule (www.cdc.gov or www.aap.org)
- Review pediatric history and physical in Bates

Clinical Responsibilities of the Student: Direct patient care under the supervision of an attending physician

Patient Care Responsibilities of the Student: For each patient, the student will interview and examine the patient, formulate an assessment and plan, present the findings, and write a note. The number of patients seen per session will depend on the complexity of the patients' conditions

Call Schedule of the Student: None

Procedures to be Learned by the Student:

Optional:

- In and out bladder catheterization
- Immunization administration
- Vision screening
- Hearing screening

Percentage of Time Student will Participate in Ambulatory Setting: 90%

Conference/Lecture/Small Group Sessions: Students will participate in educational conferences and complete a health promotion project.

Course Hours Weekly Summary:

4/1/2016

	Conference
4 hrs/wk	
36 hrs/wk	Clinic
1 hr/wk	Grand Rounds

Content Theme Integration: Not Stated

Recommended Reading:

Textbooks

- Pediatric Clerkship Guide (J. Woodhead, MD)
- Pediatrics for Medical Students

Internet

- American Academy of Pediatrics www.aap.org (Otitis media tutorial)

Official Grading Policy: The student will receive a grade of Honors, Pass or Fail. The standard UC Irvine elective evaluation form will be used to determine the final grade of a student. The student will be evaluated by attendings and senior residents in the areas of knowledge base, patient care skills, practice-based learning, communication skills, professionalism, and health systems. The student will also be evaluated on the quality of his/her health promotion project. If the student fails the elective a grade of "F" will be permanently recorded on his/her transcript. The student can repeat the course for a second grade, however, the "F" will not be removed from the transcript.
