DESCRIPTION
Students spend four weeks as sub-interns during which they carry the full ward responsibility of an intern on one-half the number of patients usually carried by an intern. The sub-internship is designed to improve clinical competence and to prepare students for the challenges and demands of the internship. Students may choose between sub-internships in medicine, surgery, or pediatrics.

PREREQUISITES
This course is intended for 3rd and 4th-year students enrolled in the undergraduate medical education program at University of California, Irvine School of Medicine (UCISOM).

RESTRICTIONS
This course is intended for 3rd and 4th-year students enrolled in the undergraduate medical education program at University of California, Irvine School of Medicine (UCISOM).

COURSE DIRECTOR
Dr. Schubl has worked in higher education since Dr. Schubl was raised and trained on the east coast before completing a fellowship in trauma and critical care surgery at the University of California at Irvine Medical Center. Prior to that he attended Johns Hopkins University, the University of Virginia and New York Presbyterian Hospital/Weill Cornell Medical Center in New York City. He has an active interest in
surgical outcomes, surgical infections and translational research involving the care of the injured patient and the critically ill. He is a member of several national societies including the Society for Critical Care Medicine, the Eastern Association for the Surgery of Trauma, the Surgical Infections Society, the Chest Wall Injury Society and is a Fellow in the American College of Surgeons. Prior to relocating to Southern California he was a member of the faculty in the Department of Surgery at Weill Cornell Medical Center and served as the Trauma Medical Director at that institution's trauma affiliate in Queens, Jamaica Hospital, an ACS verified level one trauma center.

Staci Reichenecker is the course coordinator for 538 course.

**Instructing Faculty:** Joseph Carmichael, MD (Colorectal); Donald Dafoe, MD (Transplant); Carlos Donayre, MD (Vascular Surgery); David Imagawa, MD, PhD (Hepatobiliary & Pancreas); Michael Lekawa, MD (Trauma/Critical Care/Burns); Ninh Nguyen, MD (MIS/GI Surgery); Alessio Pigazzi, MD, PhD (Surgical Oncology); Sebastian Schubl, MD (Emergency General Surgery); Brian Smith, MD (General Surgery @ LBVA); Nii-Kabu Kabutey, MD (Vascular Surgery @ LBVA)

**INFORMATION FOR THE FIRST DAY**

**Who to Report to on the First Day:** Chief Resident on rotation; please wear professional clothes, white coat and badge with credentials visible.

**Long Beach-VA:** Faye Johnson (Faye.Johnson2@va.gov) approximately 4 weeks prior to their start date to submit necessary paperwork and obtain rotation information.

**UCIMC:** Staci Reichenecker for rotation information and details.

**SITE:** UC Irvine Medical Center – Douglas Hospital/Long Beach VA

**DURATION:** 4-8 weeks

**Scheduling Coordinator:** UC Irvine students please call (714) 456-8462 to make a scheduling appointment.

**Periods Available:** The time of the course must be pre-approved by the elective director at least 3 months prior to the start of the course. No exceptions.

**NUMBER OF STUDENTS ALLOWED:** 1 per rotation

**WHAT STUDENTS SHOULD DO TO PREPARE FOR THE COURSE**

Contact Medical Education Coordinator 2 weeks prior to rotation. Review recommended reading.
COMMUNICATION WITH FACULTY
Questions about logistics should be directed to the Course Coordinator. Direct questions, comments, or concerns about the course can be directed to the Course Director. Contact information and office location are at the beginning of this document.

The Course Director is also available to meet in person. Please email reichens@uci.edu to arrange an appointment. To ensure that your email will not be lost in the large volume of email received, please use the following convention for the subject line:

SUBJECT: COURSE NAME, your last name, your issue (e.g. XXX, Smith, Request for appointment)

2. Course Objectives and Program Objective Mapping

The following are the learning objectives for the 538 course. Students are expected to demonstrate proficiency in these areas in order to satisfactorily complete the course. In addition, the extent of a student’s mastery of these objectives will help guide the course evaluation and grade.

**EDUCATIONAL ACTIVITIES**
An advanced course in general surgery in which the student is assigned to a general surgery service, becomes further experienced in skills of history taking and physical examination. Student participates actively in the preoperative evaluation, operative care and post-operative management on the ward and in outpatient facilities. The student also participates in case presentations and conferences at which a large variety of surgical problems are discussed. Special emphasis is placed on abdominal, colorectal, vascular, hepatobiliary, transplant, and oncologic surgery. Daily activities will include: morning rounds, outpatient clinic OR cases and small group discussion.

**Four weeks in one of five surgical rotations:**
- Surgical Oncology
- Trauma/Critical Care
- Vascular
- Gastrointestinal/Minimally Invasive Surgery
- Hepatobiliary/Transplant

**3. Course Resources**

**TEXTS AND READINGS: SUGGESTED**
As assigned by instructor

**TEXTS AND READINGS: SUPPORTING AND REVIEW**
Current Surgical Therapy, Cameron
4. Major Exams, Assignments and Grading

MAJOR ASSIGNMENTS AND EXAMS
No structured exam for this acting internship. Evaluations from Faculty are major contributors to student grading.

GRADING
Medical Students are graded using the following scale: Honors (H), Pass (P), Fail (F) and Incomplete (I). For further information, please review the Grading Policy.

Students will receive a final grade of Honors, Pass, or Fail. The student's final evaluation will be submitted on the standard UC Irvine Elective Evaluation Form. The student's final evaluation will be derived from input from Attendings, Fellows, and Residents. The student will be evaluated with specific attention to: ethical behavior, reliability and dependability, ability to work with peers and under faculty direction, relationships with nurses and other hospital personnel, relationships with patients, clinical judgment, history-taking and physical diagnosis skills, ability to identify and formulate problems, manual skills, appropriate use of laboratory, quality of patient record, verbal communication skills, professionalism, use of medical literature, and knowledge of own limitations.

You have 30 days from the date of the grade to appeal any aspect of this grade. Please contact your Clerkship/course Director should you have any questions.

Requirements for “Pass”: To receive a grade of Pass, students must demonstrate successful performance in all the following areas:

- Knowledge
- Patient Care
- Practice-Based Learning
- Interpersonal & Communication Skills
- Professionalism
- Systems-Based Practice

Requirements for “Honors”: To receive a grade of Honors, students must demonstrate exceptional performance all the following areas:

- Knowledge
- Patient Care
- Practice-Based Learning
- Interpersonal & Communication Skills
- Professionalism
- Systems-Based Practice

Grounds for “Incomplete”: You will not be issued a grade until all elements of the course have been completed.
REMEDIATION
Remediation, if needed will be designed by the Course Director to suit the issue at hand.

Grounds for “Fail”: You will receive a grade of "Fail" if the requirements for passing the course have not been met. Please refer to the Grading Policy for the impact of the "Fail" grade to the transcript.
