DESCRIPTION
This course is a brief exposure to dermatology with each day divided in half to include exposure to general dermatology clinics, specialty clinics, and teaching sessions. In the LBVAMC, UC Irvine Medical Center, Gottschalk Medical Plaza, Tustin, and FQHC general clinics the student will see patients and present patients to the faculty. Students may spend 1/2 day of the rotation in the private clinic of a community dermatologist. Students will receive basic science lectures and clinical science lectures during the rotation.

PREREQUISITES
This course is intended for 3rd and 4th-year students enrolled in the undergraduate medical education program at University of California, Irvine School of Medicine (UCISOM).

RESTRICTIONS
This course is intended for 3rd and 4th-year students enrolled in the undergraduate medical education program at University of California, Irvine School of Medicine (UCISOM).

COURSE DIRECTOR
Dr. Linden has worked in higher education since 1998. He earned his Bachelor of Science degree and PhD in biochemistry from the University of California, Davis. Dr. Linden earned his MD from the University of California, Irvine. He completed his
internship at the University of California, San Diego and returned to UCI for his dermatology residency.

Dr. Linden is a Diplomat of the American Board of Dermatology and a Fellow of the American Academy of Dermatology. He is also member of the American Association for the Advancement of Science, the American Chemical Society, and the Southwest Oncology Group. Dr. Linden's major area of research interest is melanoma.

Dr. Linden sees patients in the City of Orange at the Chao Family Comprehensive Cancer Center. Dr. Linden practices general and surgical dermatology at the Gottschalk Medical Plaza in Irvine.

Terena Wells is the course coordinator for 620B course. Mrs. Wells comes to you with 20 years in the medical field, 13 of which she has worked in Dermatology. She has a passion for Dermatology and is fascinated with the field.

MAJOR ASSIGNMENTS AND EXAMS
Ambulatory activities take up approximately 80% of the time of the rotation. The rest of the time is taken up in dermatopathology or didactic teaching sessions.

There will be no standardized material for this rotation. Students will receive 4-5 hours per week of lectures in the basic and clinical sciences of dermatology, however, the topics will depend on the faculty and specific lecture topics scheduled to occur during the rotation.

GRADING
Medical Students are graded using the following scale: Honors (H), Pass (P), Fail (F), and Incomplete (I). For further information, please review the Grading Policy.

You have 30 days from the date of the grade to appeal any aspect of this grade. Please contact your Clerkship/course Director should you have any questions

Student will receive a final grade of Honors, Pass or Fail. The standardized UC Irvine Elective Evaluation form will be used to grade the student. The students will be evaluated on attendance, performance during the elective, and a brief test at the end of the elective.
Curriculum and Educational Policy Committee

Requirements for “Pass”: To receive a grade of Pass, students must demonstrate successful performance in all the following areas:

- Knowledge
- Patient Care
- Practice-Based Learning
- Interpersonal & Communication Skills
