DESCRIPTION
During the Nephrology elective the students participate in both inpatient and ambulatory settings. The outpatient service takes place in the renal and transplant clinic. During the inpatient portion of the course the students will provide consultation in the areas of renal transplantation, hypertension, fluids and electrolyte disorders, acid-base problems, various renal dysfunctions, dialytic treatments of acute renal failure, end-stage renal failure, and endogenous or exogenous intoxications and interact with all disciplines within the institution to ensure high quality patient care. In addition the student will participate in teaching and work rounds three to five times per week.

PREREQUISITES
This course is intended for 3rd and 4th-year students enrolled in the undergraduate medical education program at University of California, Irvine School of Medicine (UCISOM).

RESTRICTIONS
This course is intended for 3rd and 4th-year students enrolled in the undergraduate medical education program at University of California, Irvine School of Medicine (UCISOM).

This rotation is not accepting international students.
COURSE DIRECTOR
Dr. Kalantar-Zadeh is the course director for 630J course.

Jillian Meltebarger is the course coordinator for 630J course.

INFORMATION FOR THE FIRST DAY
Who to Report to on the First Day: Jillian Meltebarger

Location to Report on the First Day: UC Irvine Medical Center, UC Irvine Department of Medicine, 333 City Boulevard West, City Tower-Suite 400, Orange, CA 92868-3217. 06/28/18

Time to Report on the First Day: 8:00 am

SITE: UC Irvine Medical Center

DURATION: 2-4 weeks

Scheduling Coordinator: UC Irvine students please call (714) 456-8462 to make a scheduling appointment.

Periods Available: The time of the course must be pre-approved by the elective director at least 3 months prior to the start of the course. No exceptions.

NUMBER OF STUDENTS ALLOWED: 3 per rotation
