

675D Child and Adolescent Psychiatry

Course Name Child and Adolescent Psychiatry

Course Director Aaron Kheriaty, MD

Academic Year 2020-2021

1. Course Director, Coordinator and General Administrative Information

FACULTY AND STAFF

Name	Office Location	Phone	Email
Director: Aaron Kheriaty, MD	UCIMC, Bldg. 3, Rt 88	714-456-5770	akheriat@uci.edu
Coordinator: Vanessa Valle	101 The City Dr. S., Rt. 88	714-456-5770	Vvalle1@uci.edu

DESCRIPTION

The student will be assigned inpatient responsibilities in adolescent psychiatric settings. Students will work directly with patients, will attend unit groups, outings, rounds and seminars. Students will read articles related to depression, sexual abuse, substance abuse, and pharmacology as it relates to children and adolescents.

PREREQUISITES

This course is intended for 3rd and 4th-year students enrolled in the undergraduate medical education program at University of California, Irvine School of Medicine (UCISOM).

RESTRICTIONS

This course is intended for 3rd and 4th-year students enrolled in the undergraduate medical education program at University of California, Irvine School of Medicine (UCISOM).

COURSE DIRECTOR

Dr. Aaron Kheriaty has worked in medical education since 2007. He is an Associate Professor of Psychiatry and Director of the Program in Medical Ethics at the University of California Irvine School of Medicine, where he also serves as chairman of the clinical ethics committee at UCI Health. Dr. Kheriaty graduated from the University of Notre Dame in philosophy and pre-medical sciences and earned his MD degree from Georgetown University. He is the author of several books and articles for professional and lay audiences on bioethics, social science, and

psychiatry. In addition to articles in peer reviewed journals, his work has been published in the Wall Street Journal, the Washington Post, the Orange County Register, First Things, and The New Atlantis. He has conducted print, radio, and television interviews on bioethics topics with The New York Times, the Los Angeles Times, CNN, NPR, ABC, NBC, and other outlets.

Vanessa Valle is the course coordinator for 675D course.

3. Course Resources

TEXTS AND READINGS: SUGGESTED

- Child & Adolescent Psychopharmacology, Hugo Green
- Child and Adolescent Psychiatry - A Comprehensive Textbook. Melvin Lewis. Williams and Wilkins.
- Child and Adolescent Psychopharmacology. Gread, Wayne, Williams and Wilkins.

4. Major Exams, Assignments and Grading

MAJOR ASSIGNMENTS AND EXAMS

GRADING

Medical Students are graded using the following scale: Honors (H), Pass (P), Fail (F) and Incomplete (I). For further information, please review the [Grading Policy](#).

The student will receive a grade of Honors, Pass or Fail. The student's final grade will be submitted on the standard UC Irvine elective form. The student will be evaluated by attendings and residents in the areas of interest, participation, completion of work undertaken, and quality of understanding, knowledgebase, and professionalism. If the student fails the elective a grade of "F" will be permanently recorded on his/her transcript. The student can repeat the course for a second grade, however, the "F" will not be removed from the transcript.

You have 30 days from the date of the grade to appeal any aspect of this grade. Please contact your Clerkship/course Director should you have any questions

Requirements for "Pass": To receive a grade of Pass, students must demonstrate successful performance in all the following areas:

- Knowledge
- Patient Care
- Practice-Based Learning
- Interpersonal & Communication Skills
- Professionalism
- Systems-Based Practice

Requirements for "Honors": To receive a grade of Honors, students must demonstrate exceptional performance all the following areas:

- Knowledge
- Patient Care
- Practice-Based Learning

UCI School of Medicine
Curriculum and Educational Policy Committee

- Interpersonal & Communication Skills
- Professionalism
- Systems-Based Practice

Grounds for “Incomplete”: You will not be issued a grade until all elements of the course have been completed.

REMEDIATION

Remediation, if needed will be designed by the Course Director to suit the issue at hand.

Grounds for “Fail”: You will receive a grade of "Fail" if the requirements for passing the course have not been met. Please refer to the [Grading Policy](#) for the impact of the "Fail" grade to the transcript.
