DESCRIPTION
This course provides specialized clinical experiences in the evaluation and treatment of inpatients at UC Irvine Medical Center who have a mixture of psychiatric and medical problems. Topics include psychiatric consultation procedures; interview techniques; issues of differential diagnosis, pathogenesis, and etiology; how to write consultation notes; diagnostic considerations in the medical setting; and other pertinent topics. Attendance at all consultation rounds and conferences as well as treatment team meetings is required.

PREREQUISITES
This course is intended for 3rd and 4th-year students enrolled in the undergraduate medical education program at University of California, Irvine School of Medicine (UCISOM).

RESTRICTIONS
This course is intended for 3rd and 4th-year students enrolled in the undergraduate medical education program at University of California, Irvine School of Medicine (UCISOM).

COURSE DIRECTOR
Dr. Aaron Kheriaty has worked in medical education since 2007. He is an Associate Professor of Psychiatry and Director of the Program in Medical Ethics at the University of California Irvine School of Medicine, where he also serves as chairman.
of the clinical ethics committee at UCI Health. Dr. Kheriaty graduated from the University of Notre Dame in philosophy and pre-medical sciences and earned his MD degree from Georgetown University. He is the author of several books and articles for professional and lay audiences on bioethics, social science, and psychiatry. In addition to articles in peer reviewed journals, his work has been published in the Wall Street Journal, the Washington Post, the Orange County Register, First Things, and The New Atlantis. He has conducted print, radio, and television interviews on bioethics topics with The New York Times, the Los Angeles Times, CNN, NPR, ABC, NBC, and other outlets.

Vanessa Valle is the course coordinator for 675E course.

**INFORMATION FOR THE FIRST DAY**

### 3. Course Resources

**TEXTS AND READINGS: SUGGESTED**
Readings in journals and/or textbooks will be assigned to each medical student, and these will be discussed with the preceptor.

### 4. Major Exams, Assignments and Grading

**MAJOR ASSIGNMENTS AND EXAMS**

**GRADING**
Medical Students are graded using the following scale: Honors (H), Pass (P), Fail (F) and Incomplete (I). For further information, please review the [Grading Policy](#).

The student will receive a grade of Honors, Pass or Fail. The student's final grade will be submitted on the standard UC Irvine elective form. The student will be evaluated by attendings and residents in the areas of interest, participation,
curriculum and educational policy committee

completion of work undertaken, and quality of understanding, knowledgebase, and professionalism. If the student fails the elective a grade of "F" will be permanently recorded on his/her transcript. The student can repeat the course for a second grade, however, the "F" will not be removed from the transcript.

You have 30 days from the date of the grade to appeal any aspect of this grade. Please contact your Clerkship/course Director should you have any questions.

Requirements for “Pass”: To receive a grade of Pass, students must demonstrate successful performance in all the following areas:

- Knowledge
- Patient Care
- Practice-Based Learning
- Interpersonal & Communication Skills
- Professionalism
- Systems-Based Practice

Requirements for “Honors”: To receive a grade of Honors, students must demonstrate exceptional performance all the following areas:

- Knowledge
- Patient Care
- Practice-Based Learning
- Interpersonal & Communication Skills
- Professionalism
- Systems-Based Practice

Grounds for “Incomplete”: You will not be issued a grade until all elements of the course have been completed.

REMEDIATION

Remediation, if needed will be designed by the Course Director to suit the issue at hand.

Grounds for “Fail”: You will receive a grade of "Fail" if the requirements for passing the course have not been met. Please refer to the Grading Policy for the impact of the "Fail" grade to the transcript.
