Recommended Reading:

Official Grading Policy: The student will receive a grade of Honors, Pass or Fail. The student’s final grade will be submitted on the standard UC Irvine elective form. The student will be evaluated by attendings and residents in the areas of performance surgical procedures, bedside procedures, acute and reconstructive procedures and his/her ability to support the physical, psychological, and nutritional needs of the burn patient. If the student fails the elective a grade of “F” will be permanently recorded on his/her transcript. The student can repeat the course for a second grade, however, the "F" will not be removed from the transcript.
